Lead and Zinc in Callaway County.

PULLON, Mo., Jan. 25.—There has been a great deal of excliement in the morthern part of Callaway county during the past week over the discovery of lead and sinc ore in the hills along Auxysees Creek. Prospectors and capitalists have bought options of 2,000 acres of land near the town of Auxysees, as both sides of the creek.

Lands that sold for from \$6 to \$60 per acre. Several parties from 640 to \$60 per

some two weeks ago are now salling at from \$40 to \$50 per acre. Several his arrival his half northeast southwest 25 and east 25,005. Jellos 7,005. J
